Notice of Upcoming Advertisement for Police Community Support Officers

Dear Community Member,

My name is Uzo Iwobi and as the Positive Action Officer for South Wales Police, it gives me great pleasure to inform you that we hope to advertise some vacancies for the role of Police Community Support Officers (PCSO's) in the very near future.

PCSOs are at the very heart of our communities, working with local neighbourhoods and supporting operational policing, helping to provide reassurance to members of the public within the South Wales Police area.

Essentially, a PCSO is a police staff member who works to provide that vital link between the community and the police service to make sure everyone has the support they need.

By engaging with the community members on their patch, they will take the initiative to seek out what the public want and what South Wales Police can do to get results.

South Wales Police is committed to promoting Equality and Diversity and wish to proactively encourage applicants from diverse minority groups to work for us.

As the SWP Positive Action Officer I am able to provide support and guidance to our minority community members in completing application forms as well as delivering familiarisation events to assist potential applicants understand the nature of our work.

I am planning to hold a familiarisation event in your area and as such, I would be most grateful if you could circulate this information to your networks and contacts.

For further information or to register your interest or to see further clarification, please contact the Equality and Diversity Unit, Police Headquarters, Bridgend on 01656 655555 ext 20890 or ext 70891 or contact me on 0781 4861903. Thanks very much
